

2026 Potential Legislative Issues

- 1-Infracapstructure and Production Tax Credit (maybe adjust % of credit from 50% to 25%);
- 2-Lower Severance Tax on "Met" Coal to 3%;
- 3-Cotenancy Legislation (mirror PA Law);
- 4-Data Center Incentives to Use Coal-fired Power (WVCA Legislation last year: BO Tax decrease for Utility, salvage value on Data Center);
- 5-District Conservancy (Repeal/Eliminate Funding);
- 6-Mine Safety Innovation Tax Credit (was enacted 15 years ago to provide incentives to purchase mine safety technologies. Sunsets December 31. Needs to be renewed; Provides for a 50% tax credit against corporate net for purchases of qualifying safety purchases approved by mine safety director);
- 7-Coal Renaissance Resolution;
- 8-Coal Renaissance Legislation;
- 9-Coalfield Community Development Office;
